of the

## CACTUS AND SUCCULENT SOCIETY OF AMERICA, INC.

## INDEX OF VOLUME XXI (1949)

Names of plants are spelled as given in the author's copy. The Journal has made every attempt to assure accuracy of all names used, but does not guarantee them to be so. Items in CAPITAL LETTERS indicate the title of a feature article. Page numbers in bold type (12) indicate an illustration of the item named. Casual references are not indexed. Major references are either in capital letters or have bold face figure references. Names of books and magazines are "quoted."
